Please see second side for answers to frequently asked questions.

Groveport Recreation Center

Birthday Party Package

- Frequently Asked Questions -

How do I reserve my child's birthday party?

1. Complete a Birthday Party Package Agreement & Order Form. All party reservations must be done in person at the Groveport Recreation Center.
2. Pay for your party (in full) on the day of your booking. Cash, checks and credit card (Visa & Mastercard) are accepted. In addition, a \$100 Security/Damage Deposit is required at time of booking (check or credit card).

What if my party is larger than 20, but smaller than 40?

Additional persons can be added to the group. However, you will be charged ONLY for their admittance into the facility (Daily Rates Apply). We recommend that you purchase additional food from PaPa Joe's Pizza in advance to ensure that there is enough food for your entire party.

Certain members of the party group are members of the Groveport Recreation Center. Do they need a day pass?

YES. However, they can choose not to use their day pass on the date of the party. Day passes currently do not expire and are transferable from person to person.

As the party host, what I can bring to the party?

Decorations... adults may decorate the room. However, all decorations must be applied with masking tape and must not damage walls, ceilings, doors, windows, etc. Because they may interfere with our security system, balloons are not permitted. **Photos/Videos...** photos and/or videos may be taken of your child's birthday. Please stay clear of locker rooms and restrooms. **Food..** all food (with the exception of birthday cake & ice cream) must be purchased through our selected vendor. Due to our contract, outside food and drink are NOT permitted.

What do the children wear?

Comfortable Clothing... if members of your party plan on more than just swimming, please bring comfortable clothing and gym shoes. **Bathing Suits...** lined suits are required. **Flotation Devices...** all flotation devices (life jackets) must be U.S. Coast Guard approved (no exceptions). **Towel...** all children should have their own towel. **Diapers...** swim diapers must be worn by those that are not potty trained (no exceptions).

Is there a place to secure my child's gifts during the party?

YES, our Recreation Center staff can store the gifts for you until your child is ready to open their gifts inside one of the Groveport Recreation Center's Party Rooms. After your room reservation is complete, we recommend that you store your child's gifts in your locked vehicle for safe keeping.

What if the pool is forced to close?

In the event that the indoor pool must be closed due to lightening, water contamination or some other reason beyond our control, you must evacuate the pool. The pool may need to close for a period of time. Please be sure to bring other clothes so you can utilize other areas of the facility while the pool is closed or use the 90-Minute Room Reservation and retain your GRC Day Passes to use another day.

Are there any other rules and regulations that we need to be aware of?

YES, please see the Birthday Party Agreement. In addition, the Groveport Recreation Center has rules in place to safeguard our patrons and staff. To avoid any surprises, we encourage you to become familiar with the rules prior to your visit.

As the party host, am I responsible for cleaning up the room?

YES, to a certain extent. Please ensure that all trash is thrown away and that your decorations are removed. Our staff will wipe down the tables and clean the floor prior to the next party or room rental.

Who do I call in the event that I have questions regarding my child's party?

Shannon Green (Clerk) 614-836-1000 ext. 228
Jeff Card (Facilities Manager) 614-836-1000 ext. 226
Cathy Kirkwood (Admin. Asst.) 614-836-1000 ext. 224
