

# Groveport Park System

For picnic shelter, log house, athletic field & tennis court reservations, please call the Groveport Parks & Recreation Dept. at 614-836-1000.

**GROVEPORT PARK (7370 Groveport Road)** - This 82-acre park features the Groveport Recreation Center, Groveport Aquatic Center, ball diamonds, soccer fields, EVOS playground, paved leisure paths, two ponds with fountains, historical Lock, large expanses of green space and over 100 newly planted trees. Fishing is permitted at the two ponds. Groveport Park connects with Blacklick Park and Rager Road via an unpaved foot/bike path at the north-west end of the property.

**BLACKLICK PARK (770 Blacklick Street)** - Enjoy bounds of shade in this 3-acre park during the summer and beautiful colors in the fall under some of Groveport's largest trees. Walk the tow path along the once booming Ohio and Erie Canal. Visitors can take a quarter mile stroll to see the historic and only lock in Groveport "Lock 22." Keep your eye out for turkey, fox and deer. Other features of the park include picnic shelter, playground equipment, benches and charcoal grills. The Blacklick Park leisure path connects to Groveport Park and Rager Road.

**DEGENHART PARK (355 Lesleh Avenue)** - Degenhart Park is a 3.5-acre park with many amenities, including three lighted tennis courts, basketball pad, picnic shelter, playground equipment, charcoal grills, restroom & drinking fountain.

**GROVEPORT CEMETERY (539 Wirt Road)** - Located next to Heritage Park, Groveport Cemetery is the final resting place for many central Ohioans. The cemetery is located on 5-1/3 acres with dozens of mature trees and manicured grounds. Visiting hours are from sunrise to sunset daily. For information regarding lot purchases and burials, contact the Dennis Moore (*Public Works Superintendent*) at 614-836-3910.

**HERITAGE PARK (551 Wirt Road)** - Located on over 15-acres, Heritage Park is home to the historic Groveport Log House. The Log House was originally built in 1815 and was moved from the intersection of Madison & Main Streets to its current location in Heritage Park. The Log House is available for rent. Kids and adults can both be found with their rod and reel at Palm's Pond. The pond is stocked annually by the Ohio Department of Natural Resources. Surrounding the pond is a ¾ mile crushed stone leisure path with resting benches and grills. Along the southwest corner of the pond is a picnic shelter. Concerts are periodically held at the Heritage Park Stage. The Annual Apple Butter Day Festival takes place at Heritage Park.

**VETERANS PARK (421 Main Street)** - Four district areas in Groveport Veteran's Park honor those who served our country's armed forces. Donor's Common – benches, flag poles, and a drinking fountain from a brick plaza at the Main Street entrance. Peace Garden – a reflective site surrounded by evergreens and shade trees. Honor Court – displaying a stately monument, a podium, and plaza of inscribed bricks. Quiet Garden – landscaped with ornamental trees and access to the park for those who require handicapped parking.

**ORCHARD PARK (5079 Cherry Blossom Drive)** - Located in The Orchard Subdivision, this 2.33-acre neighborhood park is lined with relatively young trees (arboretum) and also includes playground equipment.

**CRUISER PARK (4677 Bixby Road)** - This 52-acre athletic-type park is home to numerous soccer fields and a large wetland. Soccer goals are pulled off of the site in the summer and winter months to let the turf rest and re-establish. The fields are primarily used for Parks & Recreation Department sponsored athletic events. A portion of the Foor Leisure Path winds through Cruiser Park.

**GREENPOINTE BUSINESS PARK (4995 London Groveport Road)** - Nestled amongst the many thriving businesses within the Groveport Commerce Center is a 32-acre park. This park offers a large pond, paved leisure path, picnic tables and benches. This property is maintained by Duke Realty Corporation.
