KIDS CAN COOK!

KIDS WILL PREPARE 2 DINNERS AND FINISH UP WITH A DESSERT CLASS!

These creative classes allow kids to learn cooking basics while preparing and assembling the recipes. The unique twist with the two of the classes is that the creation that is made in class is dinner for your family that night! The first will be an oven-ready meal for the family (all new recipe!) the second is kids' choice pizza! And the final class, and what is likely to be the favorite, is a Sweet Treats class where the kids will create sweets just in time for Valentine's Day for Session I and the week of St. Patrick's Day for Session II. Kids and parents alike have responded positively to our cooking classes and the kids had comments like, "It was fun and the dinners were great!" and "Making chocolates for my family was awesome!" Cooking is a wonderful way to build self-esteem and allow your child to feel a sense of accomplishment! New and different recipes for each session. The session is 3 weeks, maximum of 20 children per class. Hosted by: Two Crazy Kids, LLC *Enriching children one activity at a time*
