**IMPORTANT NOTES:**

- Aquatic programs have priority. Patrons may be asked to move to other areas of the pool during program times.
- Certain areas of pool may be closed due to cleaning, programming, staffing & circumstances beyond our control.
- Staff will make every attempt to keep lap lanes open for lap swimming. Only 2 lap lanes will be available during all aerobic classes. Lap swimmers will be required to share space in a lane.
- Lap lanes are only available to lap swimmers.
- During certain times, the diving board may not be available (i.e., Deep Water Exercise, GFF Practice).
- In the event of lightening or thunder, the pool & pool deck will be evacuated. The pool will re-open in 30 minutes provided that there has been no lightening or thunder in the area. Our facility has a lightening detection system.
