Please see second side for answers to frequently asked questions.

Groveport Aquatic Center

Birthday Party Package

- Frequently Asked Questions -

How do I reserve my child's birthday party?

1. Complete a Birthday Party Package Agreement. All party reservations must be done in person at the Groveport Recreation Center.
2. Pay for your party (in full) on the day of your booking. Cash, checks and credit card (Visa & Mastercard) are accepted. In addition, a \$100 Security/Damage Deposit is required at time of booking.

What if my party is larger than 20, but smaller than 40?

Additional persons can be added to the group. However, you will be charged ONLY for their admittance into the facility (\$6 Resident / \$8 All Others) . We recommend that you purchase additional food from PaPa Joe's Pizza in advance to ensure that there is enough food for your entire party.

Certain members of the party group are members of the Groveport Aquatic Center. Do they need a day pass?

YES. However, they can choose not to use their day pass on the date of the party. Day passes currently do not expire and are transferable from person to person.

As the party host, what I can bring to the party?

Decorations... adults may decorate the room. However, all decorations must be applied with masking tape and must not damage walls, ceilings, doors, windows, etc. Because they may interfere with our security system, balloons are not permitted. **Photos/Videos...** photos and/or videos may be taken of your child's birthday. Please stay clear of locker rooms and restrooms. **Food...** all food (with the exception of birthday cake & ice cream) must be purchased through our selected vendor. Due to our contract, outside food and drink are NOT permitted.

What do the children wear?

Bathing Suits... lined suits are required. **Flotation Devices...** all flotation devices (life jackets) must be U.S. Coast Guard approved (no exceptions). **Towel...** all children should have their own towel. **Shirts...** must be worn in the Groveport Recreation Center. **Shoes...** all children should wear shoes/sandals when walking between the Groveport Aquatic Center and Groveport Recreation Center. The pavement can get quite hot! **Diapers...** swim diapers must be worn by those that are not potty trained (no exceptions).

While at the outdoor water park, where can we store our goods? Most people take their goods with them on the pool deck. However, lockers are available (at a nominal fee) at the Groveport Aquatic Center for use if you choose to "secure" your things.

Is there a place to secure my child's gifts during the party?

Yes, our Recreation Center staff can store the gifts for you until your child is ready to open their gifts inside one of the Groveport Recreation Center's Party Rooms. After your room reservation is complete, we recommend that you store your child's gifts in your locked vehicle for safe keeping.

What if there is inclement weather?

Provided that we have 24 hour notice, we can reschedule your party to another date. Our staff will not cancel a birthday party. It's your decision on whether or not to hold a party if "bad weather" is predicted.

If you have arrived at the facility and "bad weather" occurs and the facility is closed, you may use the reserved room for eating and opening gifts and use the Groveport Recreation Center (gym & indoor pool) provided those facilities are available in exchange for your GAC day pool passes, or use the reserved room for eating and opening gifts, and retain your GAC day pool passes for use on another day.

Are there any other rules and regulations that we need to be aware of?

YES, please see the Birthday Party Agreement. In addition, both the Groveport Recreation Center and Groveport Aquatic Center have rules in place to safeguard our patrons and staff. To avoid any surprises, we encourage you to become familiar with the rules prior to your visit.

As the party host, am I responsible for cleaning up the room?

Yes, to a certain extent. Please ensure that all trash is thrown away and that your decorations are removed. Our staff will wipe down the tables and clean the floor prior to the next party or room rental.

Who do I call in the event that I have questions regarding my child's party?

Jeff Nagy (Recreation Clerk)	614-836-1000 ext. 228
Jeff Card (Facilities Manager)	614-836-1000 ext. 226
Cathy Kirkwood (Admin. Asst.)	614-836-1000 ext. 224
