- The Groveport Park System is maintained by the Groveport Parks & Recreation Department. Greenpointe Business Park is maintained by Duke Realty.
- Permanent Restrooms at Degenhart Park are tentatively open April thru October (weather pending).
- Since picnic tables are not permanently secured to the picnic shelter, the Village cannot guarantee that the tables will be located inside the confines of the picnic shelter.
- Picnic shelters, log house, athletic fields and tennis courts may be reserved through the Parks & Recreation Department.
