General Guidelines for Playground Equipment Use

- Adult supervision is highly recommended.
- Use common sense when playing on the equipment.
- Inspect the play area before starting to play.
- If you notice any broken equipment or anything that may require immediate attention, please call the Groveport Parks & Recreation Department at 614-836-1000.
- Please always wear shoes when playing on the equipment as bare feet may cause injury.
- Please do not run on the equipment.
- Please do not push or shove other people on the equipment.
- Please do not ride the slides in a head first fashion.
- Please do not use the equipment when it is wet.
- Please do not ride bicycles, roller blades or skate boards on the equipment.
- Metal slides and/or other metal equipment can become hot during the summer months.

Thank you for your continued cooperation,
Groveport Parks & Recreation Department
