# About Bally Sports Group

Born and raised in the Cleveland Area, Aaron Bally played sports year-round throughout his childhood (Aaron is a huge Cleveland sports fan; He even attends Browns games!). After receiving varsity letters in basketball and tennis at Elyria High School, Aaron attended The Ohio State University. Graduating from OSU in 2007, Aaron earned a Bachelor of Science in Nutrition and Exercise Science. He has worked in the health, sports, and recreation field for over 10 years. Aaron offers vast amounts of encouragement, creating a positive environment, as he shares his expertise and passion for a healthy and active lifestyle with others. Aaron's most satisfying accomplishment is learning that many children had their first positive sports experience with Aaron as their coach.

The combination of Aaron's own sports journey, education, skills, and enthusiasm for working with children has led to the formation of Bally Sports Group!
